a) Operates for guests staying at the Hotel Schafbergspitze with a prior booking only.

Steam trains operate daily and all season long, given their technical availability.

Diesel trains can be put into service in case a steam loco breaks down or in order to boost operational capacity at peak times.

Trains may be cancelled in the event of particularly inclement weather (storms or strong snowfall) or due to lack of passengers.

Prams can only be transported if there is enough available space.

Every Wednesday and Sunday from 6 July - 31 August 2014
